CERTIFICATIONS

Data Analyst PowerBI Career Track Certification | DataCamp **2024**

- Achieved proficiency in Power BI via a collaborative course developed by Microsoft and DataCamp, focusing on data importation, manipulation, and visualization techniques.

Professional Data Analyst Certification | Google, Coursera **2023**

- Completed the Professional Data Analyst Certification through Google and Coursera in 2023, gaining expertise in data cleaning, statistical analysis, and advanced data visualization techniques with tools such as SQL, R, and Tableau.

- Data Analyst SQL Career Track Certification** | *DataCamp*

2023
- Enhanced data analysis skills by completing the SQL Career Track Certification with DataCamp in 2023, focusing on intermediate SQL queries, JOIN operations, set theory, and advanced data manipulation techniques.
- LEAN Six Sigma – White Belt** | *Council for Six Sigma Certification C.S.S.C*

2021
- Earned Lean Six Sigma White Belt Certification from CSSC, showing foundational knowledge of its principles, methods, and implementation roles.

PROJECTS

- Analysis of International Debt Data from The World Bank**

2023
- Analysed The World Bank's international debt data using advanced SQL queries to extract insights into the economic conditions of developing countries. Investigated various debt indicators and calculated critical statistics such as total debt amounts, highest debt holders, and average debt per indicator, leading to a nuanced understanding of global debt dynamics. Compiled findings and data visualizations in a comprehensive Jupyter Notebook report.
- Identifying the Golden Age of Video Games**

2023
- Executed a comprehensive analysis using SQL to evaluate critic and user scores, along with sales data, for the top 400 video games released since 1977. Utilized data joining, set theory, and query optimization techniques to identify key trends, culminating in a detailed report compiled in Jupyter Notebook.

PERSONAL INFORMATION

- Visa Status:**

2023 - 2025
- Professional Work Visa
 - NOC Available
 - Area:** UAE Mainland
- Driver's License:**

2020 - 2040
- Vehicle Type:** LMV, Motorcycle
 - Location:** India
